Dear Mr. Barlow, Sr.:

On behalf of the 2015 U.S. Environmental Protection Agency's Environmental Justice Community Leadership Academy, we would like to express our appreciation to you for presenting at the EJ Academy in Atlanta, Georgia, on November 6, 2015. We recognize that your time is valuable, and your participation represented a substantial commitment of both effort and energy.

We appreciate your willingness to share your knowledge and expertise with conference participants, exchange ideas, and stimulate discussions about building capacity for community leaders. Your presentation, "*Module 3 - Leading the Way: Community Capacity Building and Leadership Development Lesson 2 - Investing in People (Panel)*" contributed to a successful session!

Additionally, we are always looking for ways to make this a better training opportunity and are interested in your ideas and feedback. Feel free to contact Sheryl Good at good.sheryl@epa.gov, (404) 562-9559 or Christian Braneon at braneon.christian@epa.gov, (404) 562-9608 with any thoughts or ideas you would like to share about the EJ Academy.

With heartfelt thanks,
